Important Instructions

1. Select shape of your spa and add dimensions in **inches**. Add dimension of radius corners if you have them. **Note hinge (fold) location with dotted line. This is critical.**
2. Select color.
3. Select skirt length. (Over 4.5" surcharge applies)
4. Note special handles or fasteners. (Sizes or quantities over standard will add surcharge)
5. Your drawing of any special items that are not included in 1 through 4. Include your spa brand, model and year if known.
6. See our website for measuring instructions if needed.
